A NOTE FROM OUR MUSIC TEACHERS

Our LGUSD Music Booster organization is led and run by parent volunteers like yourself. It provides vital support for our music teachers and encompasses TK through 8th grade students across all five schools.

On behalf of our LGUSD music teachers, we would like to personally thank all our volunteers, especially the executive team, for all their hard work and dedication this year. We are so grateful for your support and look forward to working with our new Music Booster parents stepping up next fall! If you are interested in joining the executive team, we are looking for a president or co-president for the 2024-25 school year.
